"I am undergoing a Business Coaching course and work shop with Osama for almost two months now. I have received local and regional training throughout my career, but I must admit that I have found Osama to be a very passionate, multi-talented, well informed and knowledgeable individual & surely a very powerful and experienced coach. For me he exemplified the best model a coach, and trainer can or has to be. Regional Development Manager EMEA RST/ International Coach Federation Ashish Ahuja Head Retail-Payments Bank
